Editor Notes

Woo The first chapter of Unbalance X 2 is released! This is something different to all the fighting projects we've been doing lately because this is full of ecchi goodness!

Just a couple of things I want to make sure people do Refer to the translation notes if you don't know what something means and read this manwha from left to right like your American books!

I hope everyone enjoy this project I am going to work on chapter 2 and onwards until I actually get life to get on with.

I know I haven't edited in ages. and that's for a couple of reasons The first being the disorganized state that KMTS is in, if you're staff you'll know what I mean The second reason is I've been busy with life and World of Warcraft and the like

I last edited DearS and god I hope we drop this project already

Anyways. please show support by chatting in the IRC channel just idling is getting boring! Not enough people talk. actually no one does unless either someone asks for help of one of the staff starts a conversation which is rare itself If you're IRC phobic, you can also post in the KMTS forums Especially the ladies. You women need to talk more

On that note, GeeKeR is single and looking. So if there are any girls out there that's interested, PM GeeKeR

Look forward to chapter 2! It's only getting better You'll be surprised at what happens somewhere in the first volume, so keep on reading

Look out for my rant again in chapter 2! (I wonder if anyone actually read these things)

Translation Notes

Translation can sometimes get tricky, due to either the culture differences or the language itself. This section helps you understand some of those translated tricky bits a bit better!

SINCE HE SERVED IN THE ARMY DURING COLLEGE, HE WAS A LOT OLDER THAN MOST WOMEN HIS GRADE.
SO IT WAS HILARIOUS HEARING HER CALL ME SUNBE! OVER AND OVER AGAIN~!

In Korea, male military service is mandatory, so most men go off to the armed forces after two years of college. As a result, they tend to be older than most of the women in college when they return. (For all you Americans, that means Sophomore year of college is the best time to pickup chicks in Korea.)

Sunbei in Korean means Senpai in Japanese (same Kanji)

From Wikipedia: *Senpai is a Japanese term (sometimes an honorific) for a person in a club or other organization, including a school or college, who is a senior, in other words a member of a year above.*

Oppa basically means Onii-san in Japanese or "older brother" in English.

7000 South Korea Won is about 6.76 United States dollars when I was typing out theses translation notes. 10000 SKW is about 9.66 USD.

Queen-Ka is a Korean word, meaning attractive, well-dressed bitch.

.....
OKAY.
LET'S HEAR IT
MYUNG JIN HO...
NUMBER 41...
CLASS 3-2.
(HE'S IN OUR
CLASS.)

THE REASON WHY YOU CAME INTO THE WOMEN'S BATHROOM.
....
B...
BECAUSE I HAD TO GO REALLY BADLY...
WEAK, YOU IDIOT! NO MATTER HOW BADLY YOU HAD TO GO, WHEN THE MEN'S BATHROOM IS RIGHT NEXT TO IT!!
CONFESS HONESTLY THAT YOU'RE INTERESTED IN THE TEACHER~
WHAT AGE ARE YOU. TO NOT BE ABLE TO HOLD IT STILL?
THIS ONE~
WHENEVER A NEW YOUNG FEMALE TEACHER COMES, THERE'S ALWAYS A GUY LIKE HIM...

!
I'LL BELIEVE YOUR STORY... DON'T GO BLABBING ABOUT THIS ELSEWHERE.
ALRIGHT, I GOT IT.
DON'T GO BLABBING ABOUT THIS...
WHAT DO YOU MEAN...?
ARE YOU ASKING BECAUSE YOU REALLY DON'T KNOW...?
IT'S SOMETHING THAT WILL BE EASILY MISUNDERSTOOD BY THE STUDENTS...
LIKE THE THING IN THE BATHROOM EARLIER...

KEEP YOUR MOUTH SHUT SO THAT IT WON'T BECOME A SCHOOL RUMOR, GOT IT?
G..GOSH IF... (G..GOT IT...)
ALRIGHT YOU CAN GO NOW. I M GOING EASY ON YOU BECAUSE IT'S THE FIRST DAY
.....
SHE REALLY DOESN'T REMEMBER ME...

WELL, I GUESS IT'S A GOOD THING. NOT TO GET MARKED DOWN TWICE...
THEN, I'LL BE RETURNING TO CLASS.
OH RIGHT, MYUNG JIN HO?
?
WHEN ARE YOU GOING TO BE REIMBURSING ME FOR THAT 7,000 WON?
IF YOU'RE MORE LATE, INTEREST WILL BE ADDED.
SHOW YOUR TRUSTWORTHYNESS. (LIKE A MAN)
.....!?

WHAT, WHAT KIND OF...!!
SNEAKY PERSON IS THERE LIKE THAT -!?!?
END
JIN HO, WHY ARE YOU LIKE THAT?
DID SOMETHING BAD HAPPEN?
WHAT SHE DOES IS DIRTY...
AH?

I MEAN OUR HOMEROOM TEACHER!
I THOUGHT SHE WAS ONLY METICULOUS, BUT SHE'S A MISER TOO! AND ON TOP OF THAT, SHE'S S_____
.....

YOU WERE SAYING HOMEROOM TEACHER, HOMEROOM TEACHER FROM BEFORE... DID SOMETHING HAPPEN WITH THE HOMEROOM TEACHER?
DID YOU KNOW THE HOMEROOM TEACHER FROM BEFORE?

HOW WOULD I KNOW HER. I M JUST SAYING IT'S LIKE THAT
!

OH YEAH, YOU GUYS! DO YOU HAVE 7,000 WON?
AH? HOW MUCH?
IT'S BECAUSE I'M BROKE RIGHT NOW. I'LL PAY YOU BACK TOMORROW SO HURRY UP AND GIMME!
UH... I ONLY HAVE A BUS CARD TOO....
HA JI SOO, HOW ABOUT YOU...!
뒤적
AH, I HAVE ONE 10,000 WON BILL...
!
THANK YOU! LEMME BORROW IT A BIT!!
YOU GUYS GO ON AHEAD!!
OK
I'LL SEE YOU TOMORROW--!!
47
WHY THE HECK IS HE LIKE THAT...?
.....?

THEN, YOU WERE AT AN ALL-BOY'S SCHOOL?
YOU MUST'VE BEEN THROUGH A LOT AND YOU'RE STILL YOUNG TOO...
IS YOUR MOTHER A TEACHER AS WELL?
ANYWAY, SINCE THIS IS A CO-ED SCHOOL, YOU'LL FIND IT TO BE A BIT DIFFERENT
THAT'S TRUE.

IT WAS JIN HO? MYUNG JIN HO?
HE'S SORT OF LIKE THAT.
.....?
I WAS HIS HOMEROOM TEACHER IN FIRST GRADE
HE'S A LOT BETTER NOW BUT HE WAS A BIT SHARP TOWARDS HIS HOMEROOM TEACHER SO WAS SOMEWHAT HARD TO DEAL WITH.
HE DIDN'T SEEM LIKE THAT KIND OF TROUBLEMAKER THOUGH...
YES, THAT'S WHY I TOLD YOU HE'S A WEIRD ONE.
ONCE SOMETHING LIKE THIS HAPPENED. HE PICKED UP A PUPPY FROM SOMEWHERE AND...
SINCE HE COULDN'T RAISE HIM, HE WAS ASKING IF I COULD GET THE NURSERY TO RAISE IT.
AND THE FEES WOULD BE PAID BY EACH STUDENT CONTRIBUTING A LITTLE...
WHY NOT?
THERE'S SPACE LEFT IN THE NURSERY!!

HOW HE DIDN'T BUDGE AT ALL TO THE TEACHERS WORDS AND REMAINED STUBBORN...
HE EVEN WENT TO THE POINT OF GOING BEFORE THE STUDENT AFFAIRS TEACHER TO ARGUE HIS POINT YOU KNOW?
.....!
WHAT THE REASON WAS WHEN THE NURSERY HAD PLENTY OF SPACE LEFT.

EVENTUALLY HE GOT REPRIMANDED A LOT AND HAD TO GIVE IT UP BUT--
THAT DOG... THE STUDENT AFFAIRS TEACHER TOOK IT IN SAYING THAT THE STUDENT'S SINCERITY WAS APPEALING...

BECAUSE HE'S SO STUBBORN THAT ONCE HE DECIDES SOMETHING HE DOESN'T EVEN SEE THE TEACHERS...
IT MUST BE HARD TO DEAL WITH HIM. BE STRONG.
ALTHOUGH ALL KIDS THAT AGE ARE LIKE THAT...
OH?
WHY IS HE OVER THERE?
.....?

MYUNG JIN HO?
!?
꺼져
.....?
WHAT ARE YOU DOING OVER HERE?
AND NOT GOING HOME?
WHO ARE YOU WAITING FOR?

I WAS WAITING FOR YOU.
!
MY HOMEROOM TEACHER.
PLEASE GIVE ME A MOMENT OF YOUR TIME.

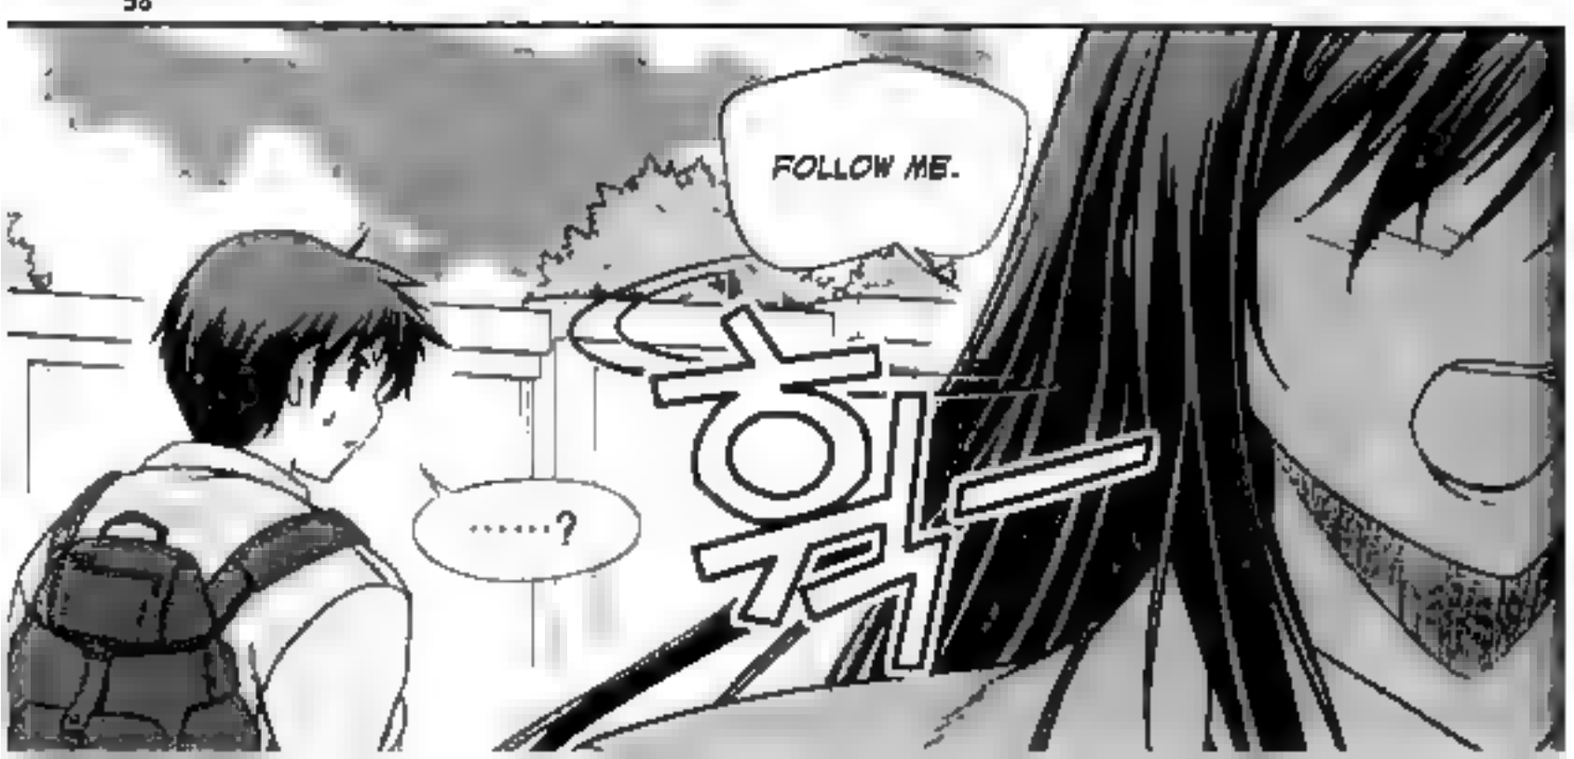
파직
TH... THIS...
IT'S LIKE A RIVALRY...
THEN I'LL BE GOING AHEAD FIRST.
AH, YOO-SUNBAENGNIM...?
DEAL WITH HIM WELL~
SEE YOU TOMORROW!.
♪
OKAY THEN, MYUNG JIN HO.
YOUR BUSINESS?

THIS IS THE 7,000 WON I BORROWED THAT TIME.
THE REST IS THE OVERDUE INTEREST.
.....!
WHAT IS THIS?
AND YOU KNOW WHAT, TEACHER?
IT'S BASIC MANNERS TO GIVE 10 PERCENT OF THE VALUE OF THE FOUND OBJECTS TO THE PERSON WHO FOUND THEM AS A REWARD.
54
OH..?
QUITE BOLD..
IT'S A LITTLE LATE, BUT WITH THIS PLEASE RESTORE YOUR TRUST IN ME.
.....

THAT'S RIGHT, YOU'RE SAYING 10 PERCENT IS THE FINDER'S REWARD RIGHT...?
THAT'S NOT INCORRECT.
BUT SINCE IT'S 10,000 WON, 10 PERCENT IS 1,000 WON RIGHT?
!
WHAT ABOUT THE EXTRA 6,000 WON THAT YOU SPENT?
THAT'S WHY...
I GAVE YOU 3,000 WON EXTRA RIGHT NOW!
A MATH TEACHER CAN'T EVEN CALCULATE THAT?!
AND I FOUND YOUR HANDPHONE FOR YOU TOO, SO WHAT ARE YOU TALKING ABOUT!! A HANDPHONE IS HOW MUCH ANYWAY--!!

SURPRISING..
WHAT A KIND A KID..
WH..
WHAT A RACKET..
?
WHY DID HE MAKE A FIST?
F..FINE.
THEN WE CAN DO THIS.
BECAUSE I WANT TO CALCULATE THIS EXACTLY TOO.

I CAN PAY BACK JUST THE 10 PERCENT OF THE COST OF THE HANDPHONE THEN?
BECAUSE I REALLY HATE OWING SOMEONE TOO.



FOLLOW ME.
.....?

SO THEN...
.....
ORDER AS YOU WANT
IT'S NOT A BUSY TIME ANYWAY.

TH 흠 짓
WHAT IS THE REASON FOR DOING THIS TO ME...?
HM, WHAT...?
THIS IS THE TEACHER'S KNOW-HOW ABOUT DEALING WITH ALL STUDENTS LIKE YOU, THAT'S WHY!
I TOLD YOU IT'S REPAYING THE DEBT. IT'S A PROBLEM JUST GIVING IT TO YOU IN CASH SO.
IT'S NOT THAT I DON'T LIKE IT ..
YOU DON'T LIKE PIZZA?

THEN, HURRY AND ORDER.
AND WITH THIS, WE'LL BE EVEN.
EVEN?

FROM THE TIME AT THE BOOKSTORE TO NOW (INCLUDING THE INCIDENT IN THE BATHROOM)
LET'S BE "SAME-SAME."
WELL, I WASN'T REALLY THINKING OF BEING FORGIVEN FOR MY CRIMES OR ANYTHING.

THIS GUY...
HIS STUBBORNNESS IS QUITE STRONG.

IF HE SHOWED AS MUCH CONVICTION AS STUBBORNNESS...

?
TEACHER.

CHOOSE FIRST PLEASE.
HM?
SURPRISE
.....!!
FROM THAT I WILL CHOOSE AFTER.
I'M GOING TO EAT SPAGHETTI...

THEN, I WILL ALSO GET THAT. A TEACHER'S SALARY IS TIGHT TOO AND ALL...
I'M REALLY GRATEFUL FOR THAT.
OVER HERE--!
RECEIVED A BLOW.

AROUND NOW, CASUALLY...
SHOULD I SHOW YOU A TEACHER'S WEAPONS
MYUNG JIN HO... YOU...

DO YOU DO WELL IN YOUR STUDIES?
.....!
.....
I DON'T DO VERY WELL. I WAS 39TH IN THE 2ND GRADE. (OUT OF 43)

IS IT REALLY THAT IMPORTANT?
TO TEACHERS...
WHY DOES THIS KID...
SHOOT BACK SO SHARPLY...
NO... WHY.. IT'S JUST GOOD TO DO WE...
THAT'S A STUDENT'S DUTY ISN'T IT?
LIKE MY STUBBORNNESS SHOOTING BACK AT YOU SHARPLY,
I ASKED TO SEE IF YOU DID A STUDENT'S JOB WELL AS WELL.
WHY, DO YOU FEEL BAD...?
THEN, I WILL ASK ONE THING AS WELL...
SINCE YOU BRING UP DUTY...

WHILE YOU APPEAR QUITE MODEST ON THE OUTSIDE...
IS THAT KIND OF FLASHY BLACK UNDERWEAR OKAY FOR SOMEONE OF A TEACHER'S POSITION?
I MEAN... EVEN IF YOU SAY THAT EACH PERSON'S PREFERENCE IS DIFFERENT SO IT DOESN'T MATTER.
WOULDN'T A PLAINER ONE BE BETTER BECAUSE YOU'RE A TEACHER?

YOU.. YOU...! REALLY UP TO WHAT POINT...!!
UP TO WHAT POINT DID YOU SEE--!?
I SAW UP TO THERE.

Testing. Times New Roman testing. One, two, three

All I can say after reading this is. "OWNED!" At first I thought that guy was a real wuss, but now I have more respect him He dissed that teacher good That whore

Well how's that for a second chapter? Awesome wasn't it I know you want more

These past few nights have been quiet tiring for me editing Unbalance and gaming. I'm sacrificing my beauty sleep for you guys so please donate money!

Also. xX bLaE translated this Ambience Blue did the last chapter So if you see any difference in the quality of English Then you'll know why Not saying Ambience Blue is a bad translator or anything. just saying it might differ... *Cough*

I thought I also might add something special this release Yes. a preview of the next chapter Aren't I nice? Or maybe I'm doing it because I like to tease

Also, Yourmove, in a desperate attempt to find good wallpapers is organizing a wallpaper contest So if you can Photoshop. then make one Actually you should be editing for us if you can use Photoshop But anyways... Check out the competition

Look out for chapter 3! It's getting Spicier The ginger spice Spicier Like if you think chapter 1 was as ecchi as it gets, you are soo wrong

Translation Notes

Translation can sometimes get tricky, due to either the culture differences or the language itself. This section helps you understand some of those translated tricky bits a bit better!

Ok.. some people put their notes in along with the manga or manwha.. so why would I the notes on a seperate page people might ask? To make your life harder? Well no. not intentionally.. it's just that we can explain more if we put it on a seperate page. Better to give you an explanation rather then just saying "Military is required in Korea" somewhere in the border.

Yoo-Sunsaengnim is same as Yoo-Sensei

Yoo is her name, which is normally pronounced Oo, but Koreans usually romanize as Yoo to make it look better.

Sunsaengnim in Korean is the same as Sensei in Japanese and means teacher in English.

Preview of chapter 3

Here it is, a page from the next chapter. Untranslated to tease you all without spoiling too much. What's this? A unseen face and some nasty ball grabbin'. Mmm

Editor Notes

Long wait Eh?

I've been busy lately enjoying life and stuff, same as the rest of the K Manga staff I intended to finnish this earlier but never stuff got in the way, sorry folks Well at least it's done now and I can start working on the next one which just keeps getting better and better

World of Warcraft is a awesome game by the way and Silk Road Online or any other try hard MMO s suck. This game is also part of the reason why I took soo long on this chapter

As you might have realised, the sizes of the manga is larger for those quality freaks. I also put more time into editing but I also slacked off in a lot of areas, especially towards the end but hopefully you guys won t care

Also, what about them boobies? Talk about back pain

Anyways I'm going to go lie down or something and relax or fap Look forward to the next chapter which is actually pretty short and uninteresting by comparison to previous chapters but the chapter after is pretty hot! Promise!

Translation Notes

Translation can become tricky, due either to cultural differences or simply the language itself. This section is here to help our readers better understand some of these difficult sections better.

As opposed to leaving the translation notes as sidenotes along the borders of the manga, we prefer to discuss such issues in greater depth by devoting a separate page to these points.

Sunbei: *Sempai* in Japanese, used to refer to an upperclassman. It can simply apply to someone who is older however, as a sign of respect. As a result, Hae-Young is enraged when Myung-Hee refers to Jin-Ho as such.

Circle: Apparently, the recent trend in Korea has been to call clubs "Circles." Like clubs in most countries, they are active after school, and have a teacher or staff member assigned to monitor their activities. Thanks to CC_Naru for the reference.

Gujuanjan Luno: The Korean pronounciation totally butchered his name. Apparently, he's a famous French movie director, but whether he's an actual figure or a fictional one is beyond me. If anyone could correct me or direct me to the actual name, I'd be very grateful!

Translator Rant:

Hi everyone Yes. yes. this release is a little overdue. but please bear with us The summer is moving along, and we have tons of crazy things we re all doing As for me. I m busy doing research in a neurobiology lab In all honesty it s tons of fun, but the rats smell really bad > > Ah well I m glad it s rats and not mice-- It may not seem like it, but mice are wayyyyy meaner than rats I ve yet to be bitten by a rat but mice scratch. bite, and run really fast. Not to mention they're impossible to catch when they get loose ^ Ah wells enough about me

I d like to take this chance to welcome pasaway098 to the squad' He s our new editor on this project. and is absolutely amazing. He s fast, good, and eager so everyone thank him if you see him in the channel ^^ He'll get a self-introduction in the next chapter so stay tuned'

Translation Notes

Translation can become tricky, due either to cultural differences or simply the language itself. This section is here to help our readers better understand some of these difficult sections better.

As opposed to leaving the translation notes as sidenotes along the borders of the manga, we prefer to discuss such issues in greater depth by devoting a separate page to these points.

Korean Schools Instead of choosing each class separately, students are divided into several classrooms that may or may not be random (some may be more rigorous than others). They spend the entire day in these classes with the same classmates. Unlike American schools where the students move from class to class (the teacher has his/her own room), Korean teachers must go to each classroom depending on what must be taught. As a result, classes are highly independent, students become very close to their classmates, and classrooms compete amongst each other in sporting events, talent shows, etc.

Korean Student Council Because individual classes are so independent and competitive, Korean and Japanese schools have a highly layered student council system. Each class has its own class President, Secretary, Treasurer, etc. The Class President is also the Class Representative to the Student Body Council, which has its own President, Vice-President, etc.

Decorations Manager One of the class-level student council positions, the Decorations Manager is in charge of making art, props, posters, and helping out during campus beautification events. It is actually a surprisingly important and common position in most schools.

Video Rooms Koreans take their entertainment very seriously, so there are businesses that exist solely to cater to niche entertainment groups. Some of you may be aware of Korean PC Rooms (aka Internet Cafes, PC Bang, PC Cafes) which are rooms full of internet-wired computers with all the latest games installed. For an hourly fee, one can rent out an computer and play. There are also Manwha Rooms, Comic rental or hourly reading stores where all the latest manwha are available to read or buy without having to buy them XD), Book Rooms, and Norae-Bang (Karaoke). Video Rooms are small stores where one can rent out a movie of their choice, then watch it in a private room, often equipped with the latest flat-panel TVs, surround-sound systems, and cushy couches, they're fantastic private theatres (I've heard it's also the place to take someone special ^^)

Translator Rant:

I asked pasaway if he wanted a rant and he wasn't interested. So I told him he could send a message to the readers, and his only answer was
"Tell the leechers to make Ambi translate more."

Well, if the man asks for it, what can you do? ^^;;

Translation Notes

Translation can become tricky, due either to cultural differences or simply the language itself. This section is here to help our readers better understand some of these difficult sections better.

As opposed to leaving the translation notes as sidenotes along the borders of the manga, we prefer to discuss such issues in greater depth by devoting a separate page to these points.

Noona - Essentially the equivalent of "Onee-chan" in Japanese, this suffix is often used to refer to female friends who are older than the speaking male. An informal term.

Meeting - Glorified get-togethers. meetings often take place in bars and can (not always) have romantic implications when in smaller groups. Some restaurants, public places also use the term to refer to blind dates that the institution itself organizes. In a large group, such as the one Jin-Ho goes to, it probably refers to a group outing.

School Discipline - Perhaps some of our readers may have been closer to understanding Hae-Young's reaction than her friend. How dare a teacher hit her student? In Korea, however, it is not at all unusual for the teacher to administer physical punishment to his or her students. Getting hit by the teacher (via book, ruler, switch, etc.) is actually closer to the norm for most students than the opposite. It's tough love, but all in the name of education ^^;.

5000 - 5000ml, or standard 5 Liters of beer. To our esteemed readers in other reaches of the world, that equals 10 pints or a bit more than a gallon. Gumbei!! <-- Korean for "cheers!"

Additional Note:

Thanks to Drakend for bringing this up on the forums, but it appears that a lot of people were confused about Hae-Young's shock at reading the article in the magazine. To explain:

The Way Korean Names work. Last name (One syllable), First Name (Two Syllables) It's like Japanese, where the names are switched. Ex. John Smith in Korean would be written Smith John.

Thus, Nah-Sunsengnim's name is Nah Hae-Young. The Nah is her last/family name, and her first name is Hae-Young. The director in the magazine is Nah Sung-Chul, meaning his last name is Nah. You can figure out the rest yourself ^^ (and if you need any help, refer back to p79 from chapter 4 > >)

If you have any questions, feel free to ask on our forums at www.k-manga.net/forums. I'm always happy to answer ^^

Translator Rant:

I actually have a rather entertaining story about one of our translation notes School Discipline. Back when I was in third grade, I went to visit my cousin in Korea. While there, my uncle decided that it would be a good idea to send me to school along with my cousin (I was on summer break in an American elementary school). I was at the school for three weeks, and the entire time, I was one of the most popular students around. Everyone wanted me in their class. When I finally had to go back home to the United States, all my new classmates were sad and told me they didn't want me to leave. I felt so touched that my friends felt so strongly about me leaving.

Later that evening, however, my cousin told me the real reason they didn't want me to go. The teacher couldn't hit the kids when a "Migukin" (Korean for "American Person") was in the room.

So much for friendly schoolmates >>
